

If you are working from home because of the COVID-19/Coronavirus pandemic and need Speech-to-Text/captioning for your meetings or conferences, this can be provided remotely by AVSTTR members. Our members can also provide this service for any online/virtual event, meetings, conferences, etc., and would be happy to talk you through the technical aspects. Please book in the usual way by using the 'Book a Reporter' form on our website - <https://avsttr.org.uk>. All members on this service are NRCPD Registered Speech-to-Text Reporters.

If you are deaf or deafened and in full-time employment, you might be entitled to Access to Work Funding for the service.

On behalf of AVSTTR members, we hope that all of you out there stay safe and we look forward to being able to work with you onsite again in the future.
